RECRUITMENT

Health and Safety Policy

It is the policy of Val Wade Recruitment to provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees, and to provide such information and training as they need for this purpose.

Val Wade Recruitment accepts its responsibility for health and safety of other persons who may be affected by Val Wade Recruitment's activities.

Following the identification of work related risks and hazards, Val Wade Recruitment will take preventative and protective measures. It is also the policy of Val Wade Recruitment to ensure that its business is conducted in a manner so as to reduce the risks to members of the public. Val Wade Recruitment may require you to attend such training and/or induction programmes in order to meet the aims of the company.

The allocation of duties for safety matters, the identity of competent persons appointed with particular responsibilities, and the arrangements made to implement this policy are set out in this policy and in associated health and safety records.

This policy will be kept up to date, to reflect changes in the nature and size of Val Wade Recruitment. To ensure this, the policy and its effectiveness will be reviewed annually.

Val Wade's responsibilities

It is the duty of management to:

- provide and maintain systems of work that are safe and without risk to health;
- ensure safety and the absence of risks to health in connection with handling of equipment, storage and transport;
- provide information, instruction, training and supervision;
- maintain all places of work in a safe condition;

provide and maintain a safe working environment.

Staff responsibilities

All employees and workers have a duty in law to act responsibly and to take reasonable care for the health and safety at work of both themselves and their colleagues.

This duty can be carried out by:

- working safely and efficiently;
- using any protective equipment provided and meeting statutory obligations;
- adhering to Val Wade Recruitment procedures for securing a safe workplace. Individuals will be nominated to undertake health and safety duties as required.

Reporting incidents that have led to injury or damage;

All such incidents must be recorded and reported to Val Wade - Managing Director using the internal report form, which is available from the Company's Hand Book. Any failure to adhere to this policy and the procedures set out in it will be considered a serious disciplinary offence and is one which may lead to dismissal.

Security

If you are responsible for setting the alarm, failure to set the alarm may result in disciplinary action being taken.

Fire & Emergency

You must observe the evacuation procedures laid down in the event of a fire or any other emergency situation. You must be aware of the location of the emergency exits, assembly points and first aid kit. Procedures to be carried out in the event of a fire or emergency will be found on the notice board.

Section 2: Responsibilities

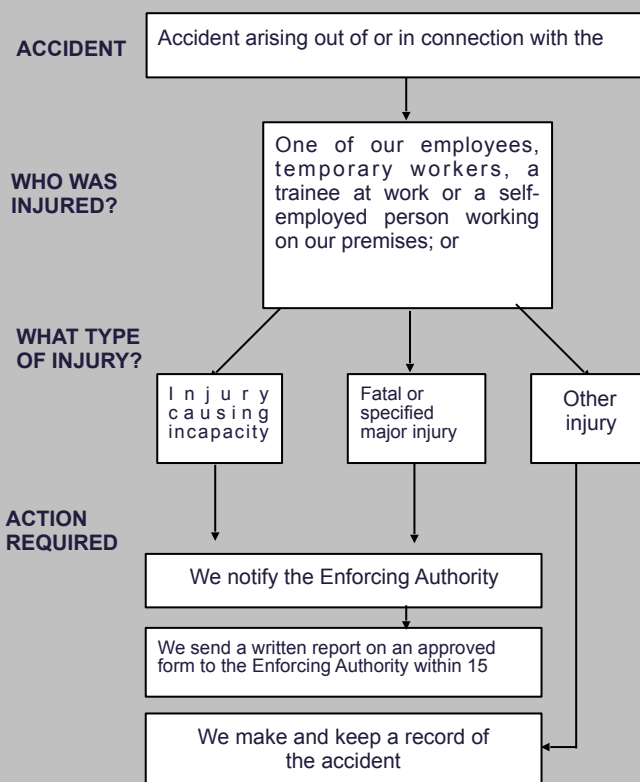

Ultimate responsibility for health and safety rests with the Board of Directors, with delegation of duty to managerial employees and/or Head of Departments. Those named must be fully aware of their duties, details of which should be included in their job description.
